Please photograph/copy the completed form and email it to convention@britishtitanicsociety.com. We will then acknowledge your booking and advise you of the payment options.

Spaces may be limited, especially on Tour 3 and Tour 4, so we strongly advise booking as soon as possible.

The prices offered are concessionary prices specially agreed with the tour operators for group tours at the times detailed in the Convention Itinerary. These prices will not apply if delegates opt to take tours outside of these pre-arranged tour packages.

NOTE: The boat trip to Roches Point is dependent upon factors such as the weather and availability of the boat due to unforeseen reasons. These factors are beyond our control, and should the boat trip not be possible, we will endeavour to make alternative arrangements to lay a wreath on land at Roches Point.
